LEGAL NOTICE

Notice is hereby given, pursuant to Section 16-50(b) of the Connecticut General Statutes and Regulations pertaining thereto, of an Application to be submitted to the Connecticut Siting Council ("Council") on or about May 8, 2007, by Celco Partnership d/b/a Verizon Wireless ("Celco" or the "Applicant"). The Application proposes the installation of a wireless telecommunications facility in the Town of Goshen, Connecticut. The site location is a 100' x 100' leased portion of an approximately 233-acre parcel east of North Street and identified on the Goshen Tax Map as Map 06, Block 12, Lot 08. Access will extend from North Street across an adjacent parcel shown on the Tax Map as Map 06, Block 12, Lot 07. At this site, Celco proposes to construct a 150-foot monopole tower disguised as a pine tree and a 12' x 30' equipment shelter located near the base of the tower to house radio equipment and a back-up generator. The facility will be design to accommodate additional carriers and municipal emergency service antennas. The location and other features of the proposed facility are subject to change under provisions of Connecticut General Statutes § 16-50g et seq.

On the day of the Siting Council public hearing on this proposal, Celco will fly a balloon at the height of the proposed tower, between the hours of 8 AM and 5 PM. Interested parties and residents of the Town of Goshen are invited to review the Application during normal business hours at any of the following offices:
